Dear Mr. Sampson,

On behalf of Pastor Latimore, our leadership and congregation, please accept our sincere thanks for the successful outcome of our recovery claim with Church Mutual Insurance Company.

Four buildings on our church campus, including the main worship center, received significant damage from the tornado that struck Nashville on March 3, 2020. When Pastor Latimore and members of the leadership team surveyed the destruction to the campus, it was clear that we had a long, complicated and uncertain road to recovery. Our decision to engage you with your team of professionals was key to ensuring a satisfactory resolution. Your knowledge of the insurance industry; presentation of data to justify the amount claimed; keen negotiating skills and professionalism were evident throughout the process.

We would recommend Goodman-Gable-Gould without hesitation to anyone with a need for a public adjuster. Please feel free to share this letter with prospective clients or they may contact me at the address or phone number below.

Sincerely,

A handwritten signature in black ink that reads 'Donnetta S. Butler'.
