Mr. Myke Schwartz  
Goodman-Gable-Gould Company  
133 Rollins Avenue Suite 1  
Rockville, Maryland 20852

Dear Myke:

Having represented me many times in the past, I felt it only appropriate that I send you a testimonial letter, that will hopefully have an impact on other people in similar circumstances.

My relationship with you and Goodman-Gable-Gould has been both a necessity and a pleasure. Unfortunately, I have had a number of serious losses, but fortunately I have used you, Myke, and your company to represent my interest on every occasion.

I can honestly say that not only have you saved me and my staff a great deal of time, but more importantly, you have negotiated fair settlements convincingly in our favor; and made up for your fee many times over.

For this you have my respect and gratitude. It is a pleasure to do business with you and your firm.

Sincerely,

  
Blackie Auger
