Dear Harvey:

I would like to take this opportunity to express my appreciation for the excellent job done by you and your staff in the settlement of the fire we experienced in April of 1990. I feel that without your expert help, our settlement with the Insurance Company would have been much less.

I hope that in the future I will not require your services again, but if the need arises, I will certainly call on the Goodman-Gable-Gould Co. again.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hans J. Leonhardt', written over the word 'Sincerely,'.
