Mr. Harvey Goodman
Goodman-Gable-Gould
133 Rollins Avenue
Suite One
Rockville, MD 20852-4004

Dear Harvey:

Now that we have reached a settlement with our insurance company on both the property and business interruption, we would like to thank you for the exceptional job done by your company on our behalf.

Our fire left us in a very vulnerable situation. As you know we thought we could take care of the claim ourselves but seemed to get nowhere. When Goodman-Gable-Gould stepped in and went to work on all aspects of our claim, our insurance company significantly increased their offer. We were totally satisfied with the amount we received to cover our losses.

Please feel free to use Woodmont Country Club as a reference for your services.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. M. Bille', written over the word 'Sincerely,'.
