Dear Harvey:

Many thanks for all your help in reaching a settlement with our insurance company for the water damage done to our home in West Hyannis Port last December. Beth and I are happy to be back in our home, thanks to all your hard work during these past months.

I appreciated all you did to accurately portray the damage, and obtain fair compensation for repair and replacement costs. I have enclosed payment for your services, and I would be more than happy to recommend you highly to anyone in need of excellent representation in this type of situation.

Again, our thanks, and best wishes to you for a great summer!

Sincerely,

Joseph P. Kennedy II
