

CHICO'S

MEMORANDUM

FANTASTIC! Nice Work...no, GREAT WORK! Thank you...

Harvey,

My hat is tipped to you! Your team has performed above the high expectations we had for them. Tony's performance has been exceptional. His tireless effort to secure and settle for us was nothing short of relentless. His calls for continuous communication to his client were throughout weekends, holidays, evenings, and I believe even during his brief honeymoon with his new bride!

My hope is that all of you enjoy good fortune and good health throughout the holidays and beyond. Thank you for doing all you said you would do.
