Dear Sir:

I would like to commend your company, and particularly Arnie Abramson for the efficient and expeditious handling of our claim. Arnie really "took charge" of our adjustment, so that the executives of my company could spend full time at the jobs they know how to do best. We were really relieved of a lot of work, and it was done by Arnie in a much more professional manner and with better results.

If I can serve as a reference for either Greenspan or Arnie, I would be pleased to do so.

Very truly yours,

John Shedd
President
